

General packaging and transport charges

Decisive for the calculation of the packaging and transport charges are the weights, the numbers of items and the loading volume determined by us. All product prices are EXW/Bonn excluding packaging, freight and insurance. These will be invoiced separately. Outside of legal requirements, packaging cannot be taken back.

Packing & insurance

1 % of the net value of the goods, at least €4.00

Additional costs for wooden pallets / crates

Euro pallet - €18.80

One-way pallet - €15.80

Euro pallet without exchange - €28.80

Wooden crate - €20.00

Goods shipped by us are additionally covered by a worldwide goods transport insurance.
