

## Product range

hydraulik-haendler.de

### Oil-/air cooler

- » Standard up to 26 bar operating pressure
- » Cooler with pump
- » Special lamellas for dusty ambient air
- » Coatings depending on the application

AKG

### Hydraulic filter, measure instruments

- » Suction filters, return filters
- » Pressure filters, spin-on filters
- » Filter elements, glass fiber filter elements
- » Other materials and grades of filtration
- » Clogging indicators

Argo Hytos

### Hydraulic valves, pumps, cylinders

- » Directional and safety valves
- » ATEX-Ex-proof valves NG6-NG50
- » Proportional valves, electronic drivers
- » Vane/radial/axial piston and gear pumps
- » Hydraulic and servo cylinders
- » ISO standard cylinders

Atos

### Hydraulic pumps

- » Vane pumps
- » Set-up for combined pumps on request
- » Flow regulation controls
- » Seal kits and couplings for all series
- » Motor/pump combinations
- » Set up for combined pumps on request

Berarma

### Hydraulic valves, pumps

- » Directional valves, check valves
- » Pressure reducing valves
- » Sandwich plates valves
- » Gear pumps and axial piston pumps

Bosch Rexroth

### Gear pumps, motors, equipment

- » Gear pumps (Aluminium and cast iron)
- » Hydraulic motors, various sizes
- » Piston pumps (different delivery volumes)
- » Transmission flow divider
- » IKRON - filter range

Casappa

### Hydraulic valves, pumps

- » Directional valves and coils
- » Proportional valves
- » Screw-in valves
- » Axial piston pumps

Eaton Vickers

### Tube heat exchanger

- » Standard according to PED regulation
- » All T.E.M.A. versions available
- » Calculation according to ASME III Div. 1
- » Approvals (all shipping reg. + U-stamp)

Flovex

### Hydraulic accumulator, measurement

- » Diaphragm and bladder accumulators
- » Pulsation dampeners
- » Temperature transducers, thermostats
- » Customized factory presetting available
- » Level gauge and flow indicators

Fox

### Hydraulic valves, pressure switches

- » Directional valves, check valves
- » Directional seated valves
- » Electronic pressure switches
- » Pressure transducers

Hawe

### Hydraulic pumps, equipment

- » Gear, micro and low-noise pumps
- » Selectable direction of rotation
- » Pumps with pressure limitation
- » Multiple pumps
- » Seal kits and couplings (for all series)
- » Gear motos

Marzocchi

### Hydraulic filter, measure instruments

- » Suction, return, pressure, spin-on filters
- » Tank accessories
- » Stainless steel high pressure filters
- » Filter elements
- » Clogging indicators
- » Particle measuring devices

MP Filtri
